

God has made provision for your life to be happy and complete, but you gave away that privilege as you allow sin to remove you from His divine love. He has gone way ahead of you to make the channel of reconciliation by taking your place and paying the penalty for your punishments. Jesus has paid the price. He has made the provision; all you need to do is come to trust in His provision and turn away from sin.

This glorious life can be yours too. You do not have to bear that burden of sin anymore. You do not have to lose your peace due to immoral addictions; you can be free, you can be happy, you can become a child of God and enjoy all the provisions of God through Jesus.

If you have not yet trusted in Christ by faith, you can do so right now. The words of the following prayer are not magical; they are simply a suggestion to enable you express a sincere desire to turn from self to God:

***“Lord Jesus, I believe that you are who you claim to be, and I want to know you personally. Thank you for dying on the cross for my sins. I accept your forgiveness and place my trust in you as my Saviour and Lord. Come into my heart and make me the person you created me to be. In your name. Amen”***

If you have prayed in faith like that, Jesus says in John 6:37 **“... Him that comes to me I will in no wise cast out.”** You can have confidence that your sins are forgiven and you are now a member of the family of God. We recommend that you join the fellowship of believers where your faith can be nurtured.

*Amazing testimonies of lives transformed by  
faith in Jesus Christ*

Gospel Tracts Publication | Not for Sale

Multiplied millions of lives over the course of history speak out and stand out as a testimony to the God of redemption who changes lives. There are not enough books to hold the stories. Those who have genuinely placed their faith in Christ are living proof that a “metamorphosis” has taken place- they have been redeemed and are being continually transformed into the image of Christ. We have compiled testimonies of a few here to show you that it is possible for you too; these testimonies can become your testimony as you come to place your faith in what Jesus did at the cross.

### **A Gang Leader**

After David Wilkerson shared the gospel message to a large crowd in New York City, he said, “God’s here! God’s in this room. And he’s come especially for you. If you want your life changed, now is the time.” Then he shouted with authority: “Stand up! Those who will receive Jesus Christ and be changed- stand up! Come forward!”

Nicky Cruz, a member of the Mau Maus, a New York gang, was seated in the auditorium. His life was full of hatred, violence, and crime of all kind, and he was miserable. He desperately needed a life change. “I wanted to be a follower of Jesus Christ at that moment,” Nicky explained later. “I was happy at the choice I was making, yet I was crying. Something was taking place in my life that I had absolutely no control over... and I was happy about it.”

That night, Nicky Cruz trusted Jesus Christ as his Saviour and his life was radically changed. He quit the gang and his life of violence and crime. He started sharing his testimony with his former gang members and friends. He shared his story with the rest of the world in a book entitled *Run Baby Run*, which has been read by countless thousands. A movie based on the book ministered to yet many more thousands, Nicky Cruz serves as a walking testimony of God’s transforming power through Jesus. Tens of thousands of young people have come to know Christ as a result of the testimony of Nicky Cruz, and you too can become one of them.

Perhaps you are around professing believers who do not show the light of God; do not allow that to hinder your personal decision to follow Jesus. The power to transform and change you for the better still resides in Jesus Christ.

### **A Searching Physicist**

A graduate student shares a story of his quest for life’s answers:

After two years of graduate studies at Stanford University, I went to work as a research physicist, studying the upper atmosphere of the earth... I became acquainted with the wonders of this universe - I also discovered that humans had real problems on their hands with the weapons of mass destruction. Life kept slipping by... I was not happy at all... I faced a strong possibility of becoming an alcoholic.

I began searching for answers to my unhappy life. I studied Buddhism, Confucianism, Taoism, and Zen. I was intrigued by the possibility of Nirvana... I wanted to die, but the thoughts of what awaited me after death kept me from suicide... Then some Christian friends appeared on the scene. I asked these new friends the same kinds of questions I had asked science and philosophy and psychology. I was surprised when they gave me satisfying answers. These friends led me to place my trust in Jesus Christ as solution to my unhappy and unfulfilled life.

The following days and weeks after I trusted Christ saw miracle after miracle of God’s working in my life. The Bible is a supernatural book to me. Old problems and desires have faded away. For the first time I feel complete as a human being. After years of study and reading, which led me to no place, I have begun to build a new understanding of reality on the foundation of the Solid Rock, Jesus Christ. (*reference to Josh & Sean McDowell The Unshakable Truth*)

This may look like your story too. The answer to your search for meaning in life resides in Jesus Christ. He is the meaning and essence of life and your faith in his atonement opens the door to that.
